**Product:** RECEIVER 868,35 MHz

**Model:** GRF-R  
Ref: A02434 (VISIO)  
A02435 (BRAVO)

By means of this document we declare, under our entire responsibility, that the listed and referenced products are in accordance with the requirements of Article 3 of the R&TTE Directive **1999/5/EC** on radio equipment and telecommunications terminal equipment.

The following harmonized standards and technical specification standards have been applied:

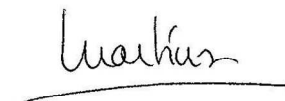

|                                      |  |
|--------------------------------------|--|
| <u>Telecommunication</u>             | <b>EN 300 220-1 v2.1.1 (2006-04)</b><br><b>EN 300 220-3 v1.1.1 (2000-09)</b> |
| <u>Electromagnetic compatibility</u> | <b>EN 301 489-3 v1.4.1 (2002-08)</b><br><b>EN 301 489-1 v1.6.1 (2005-09)</b> |
| <u>Low Voltage</u>                   | <b>UNE EN 60730-1:2000</b>   |

This product has been designed for use only in residential, commercial or light industry environment.

The CE mark is included in the product to show its conformity with the essential requirements of the directives that apply. This declaration of conformity implies that the installation and start-up of the described product has been executed according to the assembly, operation and maintenance instructions of the manufacturer.
